Hog Island Oyster Co. was founded in 1983 with a mission to raise high-quality local oysters and have a great time doing it. Our oysters are cultivated from seed in our state of the art shellfish hatchery in Humboldt Bay and finished to market size in our 160-acre shellfish farm on Tomales Bay, CA.

Since the beginning, Hog Island Traveling Oyster Bars have been bringing our oysters to weddings, wineries, birthdays, and celebrations of all nature around the Bay Area—and beyond! We arrive with a custom made portable oyster bar, professional Hog Island shucker, ice, oysters, housemade Hog Wash mignonette, and all the Hog Island accouterments for you and your guests to enjoy the best oyster experience possible.

Oysters are nature's gift, and supplies fluctuate with the seasons and harvests. While we cannot confirm the specific variety more than a few days before your event, we do promise you a premium oyster and experience every time.

INFORMAL OR FORMAL DRESS

Styles of dress available for your events range from informal Hog Island classic tee (left), to club shirts (center) to formal button-down chef's jacket (right). Please let us know which style best fits your occasion.
